

Session II

Through a technical Assistance Grant awarded by the United States Department of Transportation, West Vincent Township in partnership with West Pikeland Township and the Green Valleys Association invites you to an educational series concerning the numerous pipelines and their operations in our communities.

Space is limited so you must reserve your attendance in advance.

Program Schedule:
6:30-8:30 PM

Feb. 25, 2010
West Vincent Township Bldg.
729 St. Matthews Rd.
Chester Springs, PA
610-458-1601

Evening's Topic
Industry representatives will explain their safety and emergency policies.

Time will be allotted for direct questions from those in attendance.

A light fare will be provided since many will be attending directly after their workday.

Pipelines and People
